

Care Maintenance

Do

- Do: Seal your natural stone and repeat annually.
- Do: Blot up spills immediately.
- Do: Clean surfaces using a sponge or soft cloth.
- Do: Use coasters under all glasses, bottles and cans.
- Do: Use trivets and hot pads under pots & pans.
- Do: Use cutting boards.
- Do: Rinse and dry the surface with clean, clear water after washing.

Don't

- Don't: Use generic cleaning products such as bleach, glass cleaners, degreasers or other common household cleaners.
- Don't: Use vinegar, ammonia, lemon or orange as cleaners.
